ISPROJ2 AUTHORSHIP EXAM

Authorship Items	
Main Objective	

Details	
List of Authorship Objects *(Ex: 3 Textboxes, 1 Button & 1 Gridview)*	**Which feature in the Students System are you testing for authorship** *(state which feature, what form / screen is the authorship based on)*

Illustration *(give example input, the process that the authorship program must do and what output are you expecting from their authorship program)*		
Expected Input	**Process**	**Expected Output**

For Students
My / our signature/s below signify that I / we understand all the details of the authorship test given by my / our panelist and that it is doable in **35 minutes.** I / we also understand that I'm / we're required to comply to ALL the details of this authorship test, missing details or non-compliance to the requirements in the given time of 30 minutes will result to me / us getting an automatic failing mark in ISPROJ2. By affixing my / our signature/s, I / we also agree that I / we won't be asking for any time extensions, asking for one will automatically invalidate my / our authorship test. Our authorship test starts at *(panelist please write the start time on the box below)*

Student 1 name & signature	Student 2 name & signature	Student 3 name & signature	Student 4 name & signature

For Panelists

We have fully checked the student/s authorship exam at *(write the checking time on the box below)* and have decided that the

student/s **(Passed / Failed)** because _____.

Panel Chair	Panel Member 1	Panel Member 2
